If you are accepted into the LPN – ADN Bridge Program, be aware of the following:

1. You must complete an online background check at *www.healthcareex.com* as directed by a nursing representative within 90 days prior to admission. Be aware that it can sometimes take six – eight weeks for this background check.

2. The following criminal offenses appearing on a criminal background check will disqualify an applicant for admission to a CCCS nursing program:
   - Any violent felony convictions of homicide. (No time limit)
   - Crimes of violence (assault, sexual offenses, arson, kidnapping, any crime against an at-risk adult or juvenile, etc.) as defined in section 18-1.3-406 C.R.S. in the 10 years immediately preceding the submittal of application.
   - Any offense involving unlawful sexual behavior in the 10 years immediately preceding the submittal of application.
   - Any crime, the underlying basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3 C.R.S. in the 7 years immediately preceding the submittal of application.
   - Any crime of child abuse, as defined in section 18-6-401 C.R.S. in the 7 years immediately preceding the submittal of application.
   - Any crime related to the sale, possession, distribution or transfer of narcotics or controlled substances in the 7 years immediately preceding the submittal of application.
   - Any felony theft crimes in the 7 years immediately preceding the submittal of application.
   - Any misdemeanor theft crimes in the 5 years immediately preceding the submittal of application.
   - Any offense of sexual assault on a client by a psychotherapist, as defined in section 18-3-405.5 C.R.S. in the 7 years immediately preceding the submittal of application.
   - Crimes of moral turpitude (prostitution, public lewdness/exposure, etc.) in the 7 years immediately preceding the submittal of application.
   - Registered Sex Offenders. (no time limit)
   - Any offense in another state, the elements of which are substantially similar to the elements of any of the above offenses.
   - More than one (1) D.U.I. in the 7 years immediately preceding the submittal of application.

3. You must complete a health summary with documented records for required immunizations or titers (just prior to entrance into the nursing program).

4. You must complete the American Heart Association Health Care Provider course and receive a two-year recommended renewal date. The recommended renewal date must not expire prior to completion of the semester and must remain current throughout the nursing program.

5. You must be able to speak, read, write, and understand English to sufficiently communicate with patients and health-care team.

6. Students accepted into the nursing program must meet the same health and safety requirements as the participating clinical facilities require of their own staff. Additional screening may be required for some clinical agencies. The expenses of these requirements are additional cost to students.

7. Other requirements and expectations are contained within the FRCC Nursing Handbook (including the **REQUIRED STANDARDS POLICY).**

8. To maintain a position in the program after starting nursing courses, students must be continually enrolled and complete all core nursing courses in sequence, as well as maintain a grade of C or above in all courses.
