WUE is the Western Undergraduate Exchange, a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in some western states may enroll in many two-year and four-year public college programs at a reduced tuition level: 150 percent of the institution's total in-state resident tuition. In all cases, WUE tuition is considerably less than nonresident tuition. Please contact the Admissions & Records Office for a current list of WUE participants.
