## **Statewide Early Childhood Teacher Education Articulation Agreement**

The following four-year schools participate in this agreement:

- Adams State College (Interdisciplinary Studies)
- Colorado State University (Human Development)
- Fort Lewis College (Interdisciplinary Studies)
- Metropolitan State College of Denver (Human Development)
- Mesa State College (Liberal Arts)
- University of Northern Colorado (Interdisciplinary Studies)

A transfer student from a Colorado public community college who has earned an Associate of Arts degree as defined in this agreement will need to complete no more than 66 credits to earn the baccalaureate degree at the four-year institution (60+66 transfer agreement). However, admission to the four-year institution and its teacher education program are not guaranteed.

A grade of B or better is required for Public Speaking (COM 115, formerly SPE 115).

To complete the AA graduation requirements, students will complete the final 6 credits designated by the four-year institution to which they intend to transfer. Students should contact that institution for more information about recommended courses to fulfill the final 6 credits.

Students need not complete the AA degree to transfer any or all of the courses to the institution whose list of final 6 credits they are following.

The four-year college or university will accept all credits in this agreement earned within ten years of transfer. Courses earned more than ten years earlier will be evaluated on an individual basis.

For more information about the Statewide Early Childhood Teacher Education Articulation Agreement, visit <http://highered.colorado.gov/Academics/Transfers/>.

Refer to the college catalog and website for complete information about this agreement and other academic matters.
