This report provides course-specific data. Therefore, student enrollments are duplicated, and sites receive credit by course. Information should be used for credit hour and FTE reporting. Annualized FTE is countable student credit hours divided by 30. This residency is not for tuition purposes.

Non-Countable FTE are credit hours are non-credit courses, enrollments after census date, courses generated from enterprise operations or cash-funded programs, or courses closed to the general public (except for concurrent enrollment programs).
