PLEASE READ BEFORE REQUESTING A ONE-ON-ONE TUTOR

Availability of Tutoring & Options

The Academic Success Center (ASC) provides faculty and staff that can work individually, or in very small groups, with students one hour a week throughout the semester. Some small group tutoring may also be available on a limited case by case basis. When possible, students should take advantage of the free drop-in tutoring available in the Support Centers.

Requirements

To qualify for an individual tutor, you must attend one forty-five minute session in the Learning Center (LC) before an individual tutor can be assigned to you. During this session, an LC tutor will ascertain your learning style and provide you with studying, time management, and life balance skills based on that style.

Tutor Assignment

Once you have submitted this form and completed the required Learning Center session, a tutor will be assigned to you as soon as possible, usually no longer than five business days. The ASC Coordinator will contact you and your assigned tutor at the same time via your FRCC email addresses to schedule your initial tutoring session.
