

# HOW TO GET STARTED

Enrolling at Front Range Community College in Six Simple Steps:

## **Step One: Submit an Application**

Get started by filling out our online application at [frontrange.edu/apply](https://frontrange.edu/apply) or downloading a printable application to mail in. Applying is free and, if you're over 17, our open enrollment policy means you're automatically in! You'll also want to start your FAFSA at [studentaid.ed.gov/fafsa](https://studentaid.ed.gov/fafsa). FRCC's federal school code is 007933.

## **Step Two: Attend a Get Started Session**

These sessions will tell you everything you need to know about signing up for classes, getting financial aid, and taking advantage of all FRCC has to offer. Stop by the Information Center in the Longs Peak Student Center or call 970-226-2500 ext. 0 for daily session times.

## **Step Three: Take the Assessment**

Colorado requires all students complete a math and language assessment before taking classes at any state school (unless you qualify for an exemption). The assessment is free and computerized, no appointment is necessary, and there's no such thing as failing (it just helps us put you in the right classes). Find locations and exemption information at [frontrange.edu/assessment](https://frontrange.edu/assessment).

## **Step Four: Meet with an Academic Advisor**

Our experienced advisors will help you interpret your assessment results, pick the right classes, and understand program requirements. Have a question about your education? Your advisor is the person to ask. Stop by the Blanca Peak building or call 970-204-8332 for an appointment.

## **Step Five: Register for Classes**

Log into eWOLF and register as early as possible, paying special attention to which campus each class is offered at. And if the class you want is full? Join the course waitlist and check your student email for an opening.

## **Step Six: Pay Tuition**

You'll need to pay your tuition and fees, authorize your COF stipend, apply your financial aid award, and/or create a monthly payment plan by the payment deadline. You can pay online (via eWOLF) or at the Cashier's Office in the Blanca Peak building.

# After You've Enrolled

## Attend New Student Orientation

Join us for an orientation session (details at [frontrange.edu/orientation](http://frontrange.edu/orientation)) to learn about student life and campus resources.

## Set up Your Email

Log into eWOLF to open your student email account.

## Get Your Student ID

Bring \$5, a photo ID, and your class schedule to the Longs Peak Student Center Information Desk and get your ID card.

## Buy Your Books

Visit the campus bookstore, located in the Longs Peak Student Center. Don't forget to bring your class schedule with you.

## Contact Disability Services

Get in touch with Disability Support Services at least three weeks before you start classes at 970-204-8112.

## Activate Your Higher One Card

Once you receive your Higher One Refund Card in the mail (watch for the green envelope), you must go online to activate your card and select how you want to receive any refund. For more information on the CCCS Higher One Refund Card, please visit the Cashier's Office or go to [www.frontrange.edu/refunds](http://www.frontrange.edu/refunds).

## Questions?

Contact us by email ([frcc.information@frontrange.edu](mailto:frcc.information@frontrange.edu)) or phone or stop by campus to chat with an enrollment representative.
