

## When Will Your Funds be Available?

Refund processing will begin the Tuesday following the full semester add/drop date for all students.

When a student has a credit balance on their student Billing account, the refund process follows the general time frame described below. For financial aid recipients, the student will see a disbursement date on the Award Overview, which is available online. This disbursement date is the date in which financial aid funds are set to start showing on the student billing statements in eWOLF at Front Range Community College.

All refunds will be issued electronically based on the selected Bank Mobile Disbursements refund preference, regardless of original payment method. Refunds will be issued within 14 days of appearing on the student's account, beginning after the first day of classes for any given semester. The refund calendar will give you an estimated timeframe of when a student could receive their refund. For financial aid students, refunds begin after the last day to drop for the full semester courses.

A Bank Mobile Disbursements refund preference can be chosen by visiting [www.RefundSelection.com](http://www.RefundSelection.com) once you have received your Debit MasterCard® from Front Range Community College. The refund preferences a student can choose from include: Bank Mobile Vibe (same day), ACH transfer/Direct deposit in an outside personal bank account (within 2-3 business days), Paper check (mailed within 5-6 business days), No preference selection will prompt a paper check to be mailed 21 days after Bank Mobile Disbursements receives the refund.

**We process our refunds on Tuesday, Bank Mobile will receive the money on Friday and disperse as outlined below.**

Sunday
Monday
Tuesday
Wednesday
Thursday
Friday
Saturday
