

Overlapping Loan/Aid Clearance Letter

Student ID Number _____ Printed Name _____

In order to accurately determine your Pell Grant and/or Federal Direct Stafford Subsidized/Unsubsidized loan eligibility with Front Range Community College (FRCC), we are required to review your financial aid history with the National Student Loan Data System (NSLDS). It appears you have active Pell grant and/or federal student loans within the same academic year at another institution and FRCC.

If you have already received aid for the current term and your financial aid is in excess of eligibility and/or your loans are in excess of annual borrowing limits and/or federal aggregate borrowing limits; it may be necessary for our office to reduce already disbursed aid and you will be responsible for amounts owed to FRCC. If you have not received aid for the current term at FRCC, the information provided on this letter will allow our office to accurately package your financial aid, provided you have a completed financial aid file.

Please submit this form to your previous school's Financial Aid Office so we may determine your remaining financial aid eligibility for the remainder of the current academic year.

Please sign below and provide your SSN in order to give authorization for the school to lookup and release your financial aid information.
