

Medical Insurance Coverage Requirements for FRCC International Students

International students are required to carry medical insurance while attending Front Range Community College (FRCC) including the summer semester.

International students can meet this requirement in three ways. (Details about each option are listed below.)

1. Purchase medical insurance with GeoBlue, through FRCC.
2. Purchase medical insurance from outside the college, and submit the information to FRCC.
3. If the student does not complete one of the two options above, FRCC will enroll the student in GeoBlue on their behalf, and bill them accordingly.

Note: This includes students who have graduated from FRCC and are participating in Optional Practical Training (OPT) – they must maintain medical insurance coverage.

All medical insurance must meet minimum requirements.

- If student has dependents in F-2 status, those dependents are also required to have insurance.
- Insurance coverage must meet the following minimums (in U.S. Dollars):

Medical Coverage – coverage per Accident or Sickness	\$100,000.00
Accidental Death and Dismemberment	\$ 10,000.00
Repatriation	\$ 15,000.00
Medical Evacuation	\$ 50,000.00

OPTION DETAILS

1. Purchase Medical Insurance Through FRCC

To purchase insurance through the college:

- Complete the [GeoBlue medical insurance enrollment form](#).
- The form will route itself to the Cashier's office upon completion.
- If you have questions, contact the Boulder County Campus Registrar's Office at 303-678-3635 or email international@frontrange.edu.

FRCC will verify that you are registered for the semester (fall and spring), which is required for you to be eligible for this insurance. Insurance is required for summer semester, however, you are not required to be registered to be eligible.

2. Verify Other Insurance Coverage

If you purchase insurance outside the college, we require a copy of your current medical insurance card and policy details EACH SEMESTER.

- A copy of your insurance information should be submitted in person to the Registrar’s Office on your campus, or by email to international@frontrange.edu.
- If you are a sponsored student and your sponsor provides your medical insurance coverage, provide a copy of the financial guarantee verifying insurance coverage.

3. FRCC Enrolls Student in GeoBlue

If the student does not purchase insurance with GeoBlue through FRCC, or provide verification of other insurance – by the first day of class each semester – FRCC will enroll the student in GeoBlue on their behalf.

- Students will be billed for insurance through the Cashier’s Office.
