

## Medical Insurance Coverage Requirements for FRCC International Students

International students are required to carry medical insurance while attending Front Range Community College (FRCC) including the summer semester.

International students can meet this requirement in three ways. (Details about each option are listed below.)

1. Purchase medical insurance with GeoBlue, through FRCC.
2. Purchase medical insurance from outside the college, and submit the information to FRCC.
3. If the student does not complete one of the two options above, FRCC will enroll the student in GeoBlue on their behalf, and bill them accordingly.

Note: This includes students who have graduated from FRCC and are participating in Optional Practical Training (OPT) – they must maintain medical insurance coverage.

All medical insurance must meet minimum requirements.

- If student has dependents in F-2 status, those dependents are also required to have insurance.
- Insurance coverage must meet the following minimums (in U.S. Dollars):

Medical Coverage – coverage per Accident or Sickness	\$100,000.00
Accidental Death and Dismemberment	\$ 10,000.00
Repatriation	\$ 15,000.00
Medical Evacuation	\$ 50,000.00
