- SOC 101: Intro Sociology

**\*\*Students need one additional Arts & Humanities or Social & Behavioral Sciences course if earning an AA.\*\***

*PR = prerequisite test score needed to enroll*

By completing the recommended number of classes in each category, students will fulfill the general education requirements at 4-year public colleges/universities in Colorado. Students who know their future college majors should speak with a College Now representative for more specific class selections. Although guaranteed to transfer to 4-year state schools in Colorado, these classes may not transfer out-of-state, and they may not apply toward every degree program.
