

Arts & Humanities Exploration Camp

June 12 – 16, 2017

Session Details

Discovering Spanish – The Fun Way!

You will be amazed how quickly you will learn Spanish words and phrases through interactive games and activities. Discover how much fun language learning can be!

Photography – Photograms & Pinhole Cameras

Discover the basic principles of photography by using a pinhole camera, and explore photographic imaging by creating your very own photogram!

Music Exploration & Recording Arts Technology – Part 1

Explore and experience a variety of hands-on musical activities – no prior musical experience necessary! Activities will include introductory lessons on a variety of musical instruments, improvisation, composition, and interaction with recording arts technology.

American Sign Language

Learn how to let your hands do the talking as you explore some of the fundamentals of American Sign Language, the third most-used language in the United States!

Music Exploration & Recording Arts Technology – Part 2

In Part 2 of Music Exploration & Recording Arts Technology, you will build upon skills and experiences from Part 1, culminating in participation in a live jam and recording session!

Drawing with Charcoals

Explore line, light and shadow through exercises and activities using charcoals.

Printmaking

Learn all about abstracting natural forms as you explore cartography printmaking.

Modern Mask Decoration

Express your inner self through the art of mask decoration, using fibers, paint, and raw materials!

Watercolors & Drawing with Sticks and Ink

Discover how to create impressionistic nature backgrounds with watercolors and how to draw foreground details with stick and ink!

Fired Ink Art

Create your very own colorful, framed masterpiece using the fun technique of fired ink!
